# ABOUT OUR DOORS

Craftwud WPC doors are ready to use printed doors. Craftwud WPC Doors are pre-laminated with UV Printing. They do not require painting, polishing or pasting of the laminate. These are pre finished ready to use doors which saves time. They are eco-friendly, non-toxic and come with higher durability and strength, offering you a better user experience and longer service life. In a nutshell, Craftwud doors reflect the richness of wooden finishes but eliminates all the challenges one may face in wooden doors.

## ABOUT US

**Rushil Decor Ltd.** is a pioneering name in India for crafting high-end, durable and promising quality solutions to empower you with rich and long-lasting experiences. Our company is a forerunner in manufacturing high-quality laminate, MDF panel boards and flooring products. Since our inception in 1993, we have established a global footprint in 56+ countries with our immaculate craftsmanship, excellence and our passion for combining expert knowledge with artistic vision that defines us.

Through our promising team, we strive to connect with our clients' emotions and panache through refined designs and unmatched experiences. You can count on us for absolute innovation and a myriad of choices to complement your vision for a contemporary home or office. With every passing day, we aspire to enlighten the world with trendsetting prospects and futuristic experiences.

With decades of experience, we have grown to elevate our proficiency, products, technology and management to offer the world our best possible services. Our plethora of exceptional products comprises laminates, HDF laminate flooring, MDF PRO boards (Interior grade), MDF PROPLUS boards (Exterior grade), MAXPRO HDFWR boards, Prelaminated MDF boards, Decorative laminates, PVC boards, WPC boards and WPC doors with superior properties, durability and classiness.

The Rushil hallmark of ideal quality is ensured by employing progressive technology in our manufacturing units. The Singapore Environmental Council's green-label certification and BIS's eco-mark certification reinforce our commitment to sustainable business practices. Our company adheres to health, safety and environmental (HSE) regulations to ensure the safety of our workers, the community and the environment.

At Rushil Decor, our passion for creating beautiful yet functional design surfaces and panel boards fuels our pursuit of enriching the quality of life for present and forthcoming eras through design, craftsmanship and innovation.

## VISION

Create a better everyday life for our customers. Our vision is to offer a wide range of well designed, environment friendly functional products at affordable prices and commit to deliver growth consistently to our investors and employees. Our objective is long - standing and trustful investor, customer and employee relationship by creating 'tangible value' consistently, efficiently and ethically.

## MISSION

Delivering sustainable growth consistently to our investors and employees. Exceed our internal and external customer requirements through continuous improvement and inspire employees to do their best by offering opportunities for personal development and enabling them realize their full potential.

## OUR PRODUCTS PORTFOLIO

### High Pressure Laminates

VIR Laminates are crafted to last, they are made from absorbent kraft paper that can withstand wear and tear over a period of time.

### KLADS

- Meets European Standard
- Easy to install and maintain
- High durability • Moisture resistant
- All-weather proof • Impact resistant

### FlexLam

VIR Post forming laminates are specifically created laminates that have bendability in addition to having all of the qualities of standard grade high pressure laminates.

### Unicolor

- Even and consistent look
- Highly durable
- Specialised product
- No dark edges

### Prelam

MDF boards are made by compressing decorative melamine-impregnated paper onto MDF boards under controlled heat and pressure.

### MDF Boards

Interior • Exterior • HDFWR  
Water Resistant  
Cost Efficient  
Termite & Borer Resistant

### Door Skin

Door Skin Laminates are specially designed for use on doors. These laminates provide great aesthetics with high durability and ease of maintenance.

### PVC & WPC Boards

VIR PVC and WPC boards are termed as the panel board of the future. They are waterproof, termite and borer proof.

### Digital Laminates

VIR Digital laminates are tailored to perfection as per the customer's choice of design or image.

### EduBoard

These Chalk / Marker Grade laminates have excellent properties to write with special marker pen & chalk, leaving no marks after wiping.

### VTL and VTL+

The timeless designs, with almost zero-reflection matt finish, VIR Traceless will leave a mark on your mind and heart but allow no mark on the furniture.

### Craftwud WPC Doors

VIR Craftwud WPC doors are ready to use printed doors. These doors are pre-laminated with UV Printing.

### Wood-Plastic Composite (WPC) – A Material of Many Exceptional Qualities

- **100% Waterproof** – Perfect for bathrooms, kitchens, and any area exposed to moisture.
- **Exceptional Durability** – Resistant to rot, cracks, and everyday wear, ensuring years of reliability.
- **Perfect Shape Retention** – No warping, swelling, or shrinking in extreme weather conditions.
- **Eco-Friendly Choice** – Manufactured from recycled materials, protecting forests and reducing waste.
- **Pre-Finished & Maintenance-Free** – No need for painting, polishing, or extra treatments.
- **Enhanced Fire Safety** – Built with superior fire-retardant properties for extra protection.
- **Termite-Proof** – Naturally immune to termites and other pests.
- **Value That Lasts** – A single investment that delivers performance and savings over time.
